CONSENT DECREE

1. This Consent Decree is entered into as of the Effective Date, as defined below in Paragraph 11, by and between the following parties: Plaintiff, Brian Fischler (“Plaintiff”), and Defendant Ramy Brook, LLC (“Defendant”); Plaintiff and Defendant are collectively referred to as the “Parties” and individually as “Party” for the purposes and on the terms specified herein).

RECITALS

2. Title III of the Americans with Disabilities Act of 1990 (“ADA”), 42 U.S.C. §§ 12181-89 (“ADA”) and its implementing regulation, 28 C.F.R. Pt. 36, prohibit discrimination on the basis of disability in the full and equal enjoyment of the goods, services, facilities, privileges, advantages, and accommodations of any place of public accommodation by any private entity that owns, leases (or leases to), or operates any place of public accommodation. 42 U.S.C. § 12182(a); 28 C.F.R. § 36.201(a).

3. On October 19, 2020, Plaintiff filed this putative class action lawsuit on behalf of himself and all others similarly situated against Defendant (the “Action”). Plaintiff alleges that those U.S. portions of the website directed at consumers, which can be accessed by U.S. based

consumers through the use of the domain name <http://www.RamyBrook.com> (the “Website,” as further defined in Paragraph 14), contain barriers that prevent full and equal use by blind persons, in violation of Title III of the ADA, 42 U.S.C. §§ 12181–89 (“ADA”), the New York State Human Rights Law (“NYSHRL”) and the New York City Human Rights Law (“NYCHRL”).

4. Defendant expressly denies that the Website violates any federal, state or local law, rule or regulation, including the ADA, NYSHRC and NYCHRC. By entry into this Consent Decree, Defendant does not acknowledge or admit any violation of any law or any wrongdoing of any kind in any respect.

5. This Consent Decree resolves, settles, and compromises all issues between the Parties based on the allegations set forth in Plaintiff’s Complaint (the “Complaint”) and those claims or issues which arise from such allegations.

6. This Consent Decree is entered into by Plaintiff, individually, prior to a determination on class certification. Therefore, notice to the putative class of this Consent Decree is neither required under Fed. R. Civ. P. 23(e) nor appropriate.

JURISDICTION

7. Plaintiff alleges that Defendant is a private entity that owns and/or operates, or has contracts to operate or develop, the Website which is available through the internet to personal computers, laptops, mobile devices, tablets, and other similar technology. Plaintiff contends that the Website is a sales and service establishment whose operations affect commerce and a public accommodation subject to Title III of the ADA. 42 U.S.C §12181(7); 12182(a); 28 C.F.R. §§ 36.104, 36.201(a). Defendant denies that the Website is a public accommodation or a place of public accommodation or is otherwise subject to Title III of the ADA.

8. Plaintiff is suing on his own behalf, and on behalf of all other individuals similarly situated as an aggrieved person pursuant to 42 U.S.C. § 12188(b)(2)(b).

9. This Court has jurisdiction over this action under 28 U.S.C. §§ 1331 and 1345, and 42 U.S.C. § 12188. The Parties agree that venue is appropriate.

AGREED RESOLUTION

10. Plaintiff and Defendant agree that it is in the Parties' best interest to resolve this Action on mutually agreeable terms without further litigation. Accordingly, the Parties agree to the entry of this Consent Decree without trial or further adjudication of any issues of fact or law raised in the Complaint.

In resolution of this action, the Parties hereby AGREE to and the Court expressly APPROVES, ENTERS, AND ORDERS the following:

DEFINITIONS

11. "Effective Date" means the date on which this Consent Decree is entered on the Court's Docket Sheet following approval by the Court.

12. "Person(s) with a visual impairment" means any person who has a visual impairment who meets the legal definition of blindness in that they have a visual acuity with correction of less than or equal to 20 x 200.

13. "Reasonable Efforts" means the commercially reasonable efforts that a reasonable person in Defendant's position would use to improve the existing level of accessibility of the Website to Persons with a visual impairment by using the Worldwide Web Consortium's Web Content Accessibility Guidelines WCAG 2.1 Level A Success Criteria (as defined therein) ("WCAG 2.1 A") as a guideline to make such improvements. Any disagreement by the Parties as to whether Defendant has used Reasonable Efforts as provided for under this Consent Decree shall be subject to the dispute resolution procedures set forth in paragraphs 19 through 25 of this

Consent Decree. Reasonable Efforts shall be interpreted so as not to require Defendant to undertake efforts whose cost, difficulty or impact on Defendant or its affiliates' Website-related operations would constitute an undue burden, as defined in Title III of the ADA but as applied to its consumer focused merchandise-selling Website-related operations, or would otherwise require efforts that are virtually impossible, are not commercially reasonable, readily achievable or technically feasible or constitute a fundamental alteration of the Website's features or primary use.

14. The Website, as initially defined in Paragraph 3 above, means the U.S. portion of the eCommerce webpages owned and/or operated by or on behalf of Defendant that allow consumers to obtain information about Defendant's products and services and purchase products on-line for delivery to their homes or places of business in some geographic areas. The term "Website" does not include any mobile applications or Third-Party Content (as defined below), nor does it apply to any portions of the Website directed at business users or Defendant's business partners, or those designated for internal use by Defendant or their affiliates or to websites not owned, operated, coded, managed or controlled by Defendant but that are linked from or to the Website or its mobile applications. "Website" refers to the Website located at the domain name <http://www.RamyBrook.com>.

15. "Third-Party Content" means web content that is generated by a third party and not owned, coded, managed, operated by or on behalf of Defendant, or hosted on the Website.

TERM

16. The term of this Consent Decree shall commence as of the Effective Date and remain in effect for thirty-seven (37) months from the Effective Date.

COMPLIANCE WITH TITLE III OF THE ADA

17. Web Accessibility Conformance Timeline: Defendant shall use Reasonable Efforts to improve the existing level of accessibility of the Website to Persons with a visual impairment within twenty-four (24) months of the Effective Date.

SPECIFIC RELIEF TO PLAINTIFF

18. Specific Relief: Plaintiff and Defendant have agreed to settle all matters relating to costs, damages, attorneys' fees, experts' fees, and other financial matters, relating to any alleged inaccessibility of the Website through a separate agreement (the "Settlement Agreement") hereby incorporated by reference into this Consent Decree. The Settlement Agreement shall be provided to the Court in camera for inspection and review if the Court so requires in order to extend its enforcement jurisdiction over the terms of the Settlement Agreement. The Court is not retaining jurisdiction to enforce the Settlement Agreement. - MKV 3/17/2021

PROCEDURES IN THE EVENT OF DISPUTES

19. The procedures set forth in Paragraphs 19 through 24 must be exhausted in the event that (i) Plaintiff alleges that Defendant has failed to meet its obligations pursuant to this Consent Decree or (ii) Defendant allege that there is a criteria of WCAG 2.1 A with which they cannot substantially comply as set forth herein. There will be no breach of this Consent Decree by Defendant in connection with such allegations until the following procedures have been exhausted.

20. If a Party believes that the other Party hereto has not complied in all material respects with any provision of the Consent Decree, that Party shall provide the other Party with written notice of non-compliance containing the following information: (i) the alleged act of non-compliance; (ii) a reference to the specific provision(s) of the Consent Decree that is not being complied with in all material respects; (iii) a statement of the remedial action sought by the initiating party; and (iv) a reasonably detailed statement of the specific facts, circumstances and

legal argument supporting the position of the initiating party (the "Notice of Non-Compliance"). Plaintiff will notify Defendant in writing after the dates for their compliance set forth herein if Plaintiff believes that the Website is in any way not compliant with this Consent Decree. Defendant will notify Plaintiff in writing if they believe there is a criteria of this Consent Decree with which they cannot substantially comply hereunder. All notifications must include reasonable detail and shall be made in the manner set forth in Paragraph 29. Plaintiff waives any and all rights that he may otherwise have to recover from Defendant any damages, attorneys' or experts' fees, costs, expenses, or disbursements of any kind related to any Notice of Non-Compliance and related activities.

21. Within thirty (30) days of either Party receiving Notice of Non-Compliance as described in Paragraph 20, the other Party will respond in writing to the notice. Within fifteen (15) days of receipt of the response, the Parties will meet by telephone, or in person, in an attempt to informally resolve the issue.

22. If the issue remains unresolved within thirty (30) days of the meeting referenced in Paragraph 21, the Parties will each have an additional thirty (30) days to select an expert and the two experts will mutually select an independent accessibility consultant with substantial experience in accessible website design who will evaluate the particular item(s) raised based on whether those item(s) of the Website are in substantial conformance with Defendant's obligations under Paragraph 17 above.

23. There will be no breach of this Consent Decree unless (a) the independent accessibility consultant determines that the particular item(s) of the Website are not in substantial conformance with Defendant's respective obligations under Paragraph 17 above and (b) Defendant, as applicable, fail to remedy the issue within a reasonable period of time of not less than ninety (90) days after receiving the independent accessibility consultant's written opinion. If

the accessibility consultant believes that a reasonable time using Reasonable Efforts to remedy the items found not to be in substantial compliance is longer than ninety (90) days, then the Parties may agree on a longer time period without leave of Court so long as the extension is documented in writing and executed by the Parties to this Agreement or their respective counsel. If the accessibility consultant finds that a particular item found not to be in substantial compliance cannot be remedied using Reasonable Efforts, Defendant shall not be obligated to remedy that item.

24. The determination and award of the independent accessibility consultant will be enforceable in this Court. All costs related to the independent accessibility consultant shall be borne equally by the Parties. Each Party shall bear their own costs, expenses, attorney fees and expert fees in connection with the determination and award of the independent accessibility consultant.

25. Any of the time periods set forth in Paragraphs 19 through 23 may be extended by a written agreement signed by all of the Parties.

26. Any notice or communication required or permitted to be given to the Parties hereunder shall be given in writing by e-mail or facsimile and by overnight express mail, addressed as follows:
